

SLASSCOM is the Sri Lankan IT- BPO Industry Chamber which acts as a catalyst of growth for the Sri Lankan IT and BPO industry by facilitating trade and business, propagation of education and employment, encouragement of research and innovation, and by supporting the creation of a progressive national policy framework.

The SLASSCOM team paid a visit to the Foundation of Goodness BPO sector on the 1st of February 2012, and was thoroughly impressed and awed by the good work that FoG BPO sector has been able to achieve under the kind guidance of Founder/Trustee Mr. Kushil Gunasekera.

"It is quite interesting to see how the foundation for goodness is handling the whole operation. The BPO is well managed and run in an efficient manner. It was a very good informative tour. Hopefully, the industry could help to develop the center further."

(Asiri Silva – Hayley's Business Solutions)

"Well worth the day spent. An eye opener on what SLASSCOM can do to encourage more members to support rural BPO s"

(Sujiva Dewaraja – Chairman SLASSCOM and Head of IT at JKCS)

"Great opportunity for us to give in return something to society. Thank you very much for giving this opportunity to us. The theme 'pay it forward' of Kushil is simply great as a CSR work."

"Was encouraging to see the private sector interested in such a project . Will be interesting to see how a win-win situation can be created for all stakeholders through partnership with the private sector. What is being done by the FOG in Seenigama is wonderful. SLASSCOM trying to create interest among member companies is a good way for the companies to grow in Sri Lanka making sure the growth is spread in many parts of the country as possible."

(Lakwi Perera-Virtusa)

"The things they have to done harness and support people is exceptional. The Standards that they have maintained and the consistency is also at a remarkable level. Also the support they get to maintain all these seems to be also at a high level. How they mange things also quite extraordinary. For us to support a detailed information about the areas which they need help will give us a good idea. We will share these details with our team and will look at a way that we can support them. Thank you for giving us this opportunity".

"Its an honour to join with SLASSCOM members to visit foundation of goodness today. Also it was a pleasure to see the physical & mental development and the aid provided to the rural people event after tsunami disaster. And was pleased and delighted after hearing all the success stories behind their hard work. We would look forward to provide necessary help as a company to enhance their strength in future."

(Gouri - First Source - Dialog)

"Was an amazing experience .Was pleasantly surprised. Could have tried to get more companies to participate. Improve on time management. Also think of more initiative such as this to get the IT sector to come together to build the community."

(Niresh Samaranayake – HR manager, JKCS)
