# EMPOWERING SPORTS IN THE NORTH

BE PART OF OUR VISION FOR THE UNIVERSITY OF  
VAVUNIYA MULTI-SPORTS COMPLEX

At the Foundation of Goodness, we see untapped potential in rural communities, and sports provide a unique platform for talent development. With over 15 years of experience, we've driven sports excellence, promoted an active rural youth lifestyle.

Today, we're honoured to expand and enhance sporting activities at the University of Vavuniya Sports Complex, upgrading infrastructure and creating a comprehensive plan for various sports. Our goal is to transform it into a prominent sports hub for the Northern Province, serving Mannar, Anuradhapura, and the East Coast. This extended reach will provide diverse communities access to facilities and training opportunities for enhanced excellence and exposure by way of a scientific sports development plan towards a high-performance centre.

**Vision:** To scout hidden sporting skills in the rural sector, converting them to become world champions.
